As stated in article B of the October 2009 ORV Advisory Committee Charter the purpose of the ORV committee is to "Examine issues and make recommendations regarding the management of Off-Road Vehicles [ORV] in Big Cypress National Preserve [Preserve]". Formally supporting any Alternative that completely disallows ORV access to the Preserve is not managing ORV. To the contrary, this position constitutes total banishment of ORVs. Any ORV Advisory Committee member with this strong of a bias against ORVs are unqualified to serve on the Committee.

I make the above statement personally and as President of the Big Cypress Sportsmen's Alliance.
